PETITION: THREAT TO LIFE, ASSAULT, HARRASSMENT BY DOMINIC MOK ETC.

Good morning Sir,

My name is Francis Ogurmagbunam Mok. I am a Co-Landlord in the Estate of my Late Father, Chief Fidelis ikemefuna Mok. One of which is located at 12 Tanimowo Street, Off Ishaga Close, Mushin,Lagos, Nigeria.

Sir for a long time I have had to endure the unnecessary provocation of being constantly harassed, assaulted with my life threatened by Dominic Mok & other members of the family, They have constantly tried to cheat me off my inheritances, denying me inclusion, concealing information & documents which im entitled to & hindering me from direct participation in my family affairs, I am constantly under threat to my life. They constantly expose me to danger in many ways, eg: by deliberately not locking the house gate, which I always tell them to lock for security reasons..particularly due to the neighborhood we live in (Mushin,Lagos). I have tried times without number to reason with them by speaking, but it has constantly fallen on deaf ears. The day I or my tenant(s) are robbed, attacked or any of our properties missing, they are my only suspects.

Just yesterday, Sunday the 21st July 2024. At 7: 15 in the morning, I heard a loud bang on my tenants door..as though someone was breaking-in, so I rushed there..only to see my brother dominic coming out of the room. So I asked him what he was doing in my tenants room..he just walked away without giving an answer. So I went to my tenant who was cleaning his car outside, getting ready to go out for the days job, to ask what happened..then he told me my brother..who is aware of his tenancy just came and started harassing him..by asking him unnecessary questions regarding, when his rent would expire etc..of which he redirected him to me to answer his questions. And that was all, he just went straight to the mans room, and broke into the room..(which was locked)..damaging the door, the hinges, locks & door frame.. in the process & even tried to damage other things..if not that I rushed there…It would have caused a scene, as my tenant was in his full-right to defend himself and his properties.

Sir, I bring this case for your immediate intervention & resolution..as the unwarranted provocation, assaults, threat to life & resort to violence..has become too much. I am not unable to defend myself, my properties & rights..I just like things done rightly. Pls I ask that you intervene immediately, Letting him know that if they have refused to give me the respect of a family member..they must accord me the respect due to me as a bona-fide Landlord of the house & the 3rd Legitimate son of my Late Father. Pls give them a standing warning not to (1) Threaten the Life, Peace or Property of either myself or my tenant(s), (2) All inquiries about my tenant(s), should be directed to me (3) Violence must not be applied in the resolution of issues or (3) Trespass on the limits of my share of my inheritance, (which we have since shared amongst ourselves), (4) My tenants rent expires in May 2025, & no one is to disturb him while a tenant (5) Nor interfere in the way I choose to manage my property (6) Dominic is to pay 10k for the repair of the door.

Pls, I call for your immediate intervention to arrest this situation, before it gets out of hand.as I will not be blamed for defending my life, my properties & anything & anyone that belongs to or concerns me. I await you urgently, The Almighty continue to strengthen you, in the execution of your job functions. Thank you.

Yours Faithfully
